

Product Description:

Tea Tree (AAA) Essential Oil from Australia is derived from the Melaleuca alternifolia tree, renowned for its powerful and medicinal properties. This essential oil has a fresh, camphoraceous scent with herbaceous undertones. Valued for its natural antimicrobial and antiseptic qualities, Tea Tree Essential Oil is commonly used in skincare and aromatherapy.

Product Code: [EZ22-EO]

Botanical Name: Melaleuca Alternifolia

Country of Origin: Australia

Extraction Method: Steam Distilled

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Dilution for Skin:** Mix 2-3 drops of Tea Tree essential oil with a carrier oil (such as jojoba or coconut oil) before applying to the skin. This helps ensure proper dilution and minimizes the risk of skin irritation.
2. **Spot Treatment for Blemishes:** Apply a small amount of diluted Tea Tree oil to individual blemishes as a spot treatment. Tea Tree oil is known for its antimicrobial properties and may help with acne-prone skin.
3. **Refreshing Facial Steam:** Add a few drops of Tea Tree oil to hot water for a refreshing facial steam. This can help cleanse the skin and open pores.
4. **DIY Natural Deodorant:** Mix a few drops of Tea Tree essential oil with a carrier oil and apply it as a natural deodorant. Tea Tree oil has antibacterial properties that may help control odor.
5. **Antifungal Foot Soak:** Add a few drops of Tea Tree oil to a basin of warm water for an antifungal foot soak. This can be beneficial for maintaining foot hygiene and addressing common foot issues.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
