- Multi-purpose
- Antibacterial and antifungal properties
- Stimulating and energizing
- Astringent and toning

Applications:

- Aromatherapy
- Bath and massage
- DIY cleaning
- Air freshener
- Skin care

Guidelines for Use:

Lime (Natural Blend) Essential Oil is concentrated and should never be used directly on the skin.

- Always dilute it in a carrier oil like jojoba or almond oil before topical application.
- Perform a patch test on a small area of skin before using it extensively.
- Pregnant and breastfeeding women should consult with their healthcare provider before using this oil.
- Avoid contact with eyes and mucous membranes.
- Store in a cool, dark place in a tightly sealed container.

Compliance:

Our Lime (Natural Blend) Essential Oil is sourced from high-quality ingredients and adheres to international safety and quality standards. It is free of harmful adulterants and impurities.
